

THE WIMBLEDON SOCIETY'S ACTIVITIES PROGRAMME APRIL 2016 to MARCH 2017

Some dates or times may need to be changed due to unforeseen circumstances; please see your Newsletters for the latest information.

Full details of the excursions are in the leaflet that arrived with the March 2016 Newsletter. **All excursions must be pre-booked.**

There is no need to book for walks or talks.

A leaflet with full details of the walks was distributed with this card and a leaflet listing the lectures for the autumn and winter of 2016/ 2017 will be circulated with the September 2016 newsletter. If you mislay either of these listings, you can collect another from the Museum.
