REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The purposes of the charity are:

- to stimulate public interest
- to promote high standards of planning and architecture
- to secure the preservation, protection, development and improvement of features of historic or public interest and
- to equip and maintain a Museum of objects of archaeological and historical interest.

The Society was established for the public benefit in the area comprising Wimbledon and district. The main activities are:

1. The consideration of all matters pertaining to planning and environment including applications for consent, planning policy, major construction projects and liaison with the Merton Planning Department (see below under "Achievements and Performance" for more detail).

3. The "events" section - lectures, excursions, walks etc. (see below).
4. The Local History Group - investigates a wide range of topics and matters relating to local history.

Public benefit

The Trustees confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit, 'Charities and Public benefit'.

ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The two principal sub-committees are the Planning and Environment Committee and the Museum Committee.

Planning and Environment has two objectives - the monitoring of planning applications and the maintenance of contacts with the Council and with other key bodies. The Planning and Environment Committee continued to provide objective comments to the Council on planning applications. The Committee reviewed a total of 205 applications (2021: 250) and objected or commented on 81 of those (2021: 118), a rate of 40% (2021: 47%).

In the course of 2022 the Planning and Environment Committee commented on various large planning proposals, including AELTC's plan to develop Wimbledon Park Golf Course.

The mission of the Museum of Wimbledon is to collect, record, conserve and display material relating to the history of Wimbledon, and to make it available to all. Visitor numbers were for the year 370 (2021: nil) after the reopening in November 2022.

Revenue from publications decreased by 13% (2021: 90% increase).

The events programme for 2022 restarted with actual visits to a number of venues and walks.

The Local History Group continued with monthly online meetings covering varied topics.

FINANCIAL REVIEW

Financial position

The Society has succeeded in maintaining a healthy level of reserves. Around 15% of The Society's total income in 2022, excluding grants for the Museum Refurbishment and activities, was from membership subscriptions. Ancillary sources of income included sales of publications.

The charity made a surplus of income over expenditure of £15,699 (2021: £75,503 surplus) after a loss on the revaluation of investments of £7,561 (2021: £9,905 gain). Reserves at the year end were £304,592 (2021: £288,893), with cash at bank of £44,744 (2021: £147,927) and investments valued at £62,239 (2021: £88,716).

Investment policy and objectives

Under the Memorandum and Articles, there are no restrictions on the power of the Trustees to make any investment, which they see fit, subject to the requirements of the Charity Commission and relevant statutes. It is considered necessary for a substantial portion of the Society's assets to be readily accessible to finance major projects and opportunities, which may arise.

The Society holds 2062.76 Income Units in the COIF Charities Investment Fund, managed by CCLA Investment Management Ltd. The Society also holds 1059.748 units of Blackrock Charishare funds and two deposit accounts in the COIF Charities Deposit Fund.

FINANCIAL REVIEW

Reserves policy

The reserves policy of the Society is to maintain a minimum reserve of unrestricted cash and investments in the General Fund equivalent to six months' annual expenditure.

The balance of reserves is retained to finance major projects and other opportunities.

The Society currently holds no unexpended balances from receipt of legacies, which require to be classified as restricted reserves, and there are four restricted reserves £2,791 for the Wimbledon Literary and Scientific Society, £207 for the St Andrew Society both of which are to conserve the documents and artefacts donated to the Museum also £11,645 for the Community Infrastructure Levy Fund and £4,503 for the Wimbledon & District Nursing and Midwifery both of which are for activities of Museum.

FUTURE PLANS

Following the approval of the Strategy in 2021 the Board updated the document in 2022 and has the following plans:

- To promote the newly refurbished Museum, to engage with existing members, attract visitors and potential new members, and cement relationship with the Village Hall Trust.
- To bring collections management and improving collections care to the required standards.
- To engage with Merton Council to provide informed comment on planning issues.
- To expand and reinforce the Board of Directors, as well as finding new volunteers to assist with running the Society's programme of activities.
- To interact and consult with other bodies, for example Friends of Wimbledon Town Centre and the Wimbledon Union of Residents Associations.
- To increase membership of the Society.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document and charity constitution

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The Wimbledon Society is a company limited by guarantee governed by its Memorandum and Articles of Association dated 9 October 2015. It is registered as a charity with the Charity Commission. There are currently circa 745 members each of whom agrees to contribute £1 in the event of the charity winding up.

Organisational structure

The President and Vice-Presidents are elected at a General Meeting of the Society for periods to be decided at such a meeting. One third of the Directors and Officers of the Society relinquish their office each year and are eligible for re-election at the Annual General Meeting. The Board has the power to co-opt additional trustees/directors.

The President and Vice-Presidents may attend any meeting of the Board but have no vote.

Decision making

The Board consists of between eleven and twenty members who are elected annually at the Annual General Meeting. The Board meets, on average, six times a year, but there are functional committees and these meet at varying intervals to run the Museum, the Planning and Environment Committee and other specialist areas as required. These functional committees all report to the Board on a regular basis.

THE WIMBLEDON SOCIETY

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of The Wimbledon Society for the purposes of company law) are responsible for preparing the Report of the Trustees and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 20 April 2023 and signed on its behalf by:

Mrs C M Edge - Trustee

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE WIMBLEDON SOCIETY

Independent Examiner's report to the trustees of The Wimbledon Society ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent Examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE WIMBLEDON SOCIETY

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. GENERAL INFORMATION

The charitable company is limited by guarantee and domiciled in the England and Wales. The address of its registered office is 22 Ridgway, Wimbledon, London SW19 4QN. The registered number of the company is 9818707. The registered number of the charity is 1164261.

The financial information presented is for the year ended 31 December 2022. The financial information is presented in sterling.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

a) Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. In future years, the key risks to the charity are a fall in income. The trustees have a series of measures to control, mitigate and minimise the effects of a fall in income, including the development and maintaining of a diverse range of activities and income in order to reduce the risk of over reliance on a single source, and a prudent reserves policy.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

The following specific policies apply to the categories of income:

- i) Subscription income is treated as a donation and is accounted for when the charity is entitled to the income. Income received in advance is treated as deferred income.
- ii) Donations are recognised when the charity has been notified in writing of both the amount and settlement date.
- iii) Legacies are accounted for based on settlement of the estate or receipt of payment, whichever is earlier.
- iv) Income from the sale of publications, museum sales and excursion sales is recognised when the charity is entitled to the income.
- v) Gift aid is accounted for when notification of entitlement is received from HMRC.
- vi) Grants received in advance of the associated work being carried out are deferred only when the donor has imposed preconditions on the expenditure of resources.
- vii) Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.
- viii) Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

THE WIMBLEDON SOCIETY

NOTES TO THE FINANCIAL STATEMENTS – continued FOR THE YEAR ENDED 31 DECEMBER 2022

ACCOUNTING POLICIES – continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Raising funds

Raising funds includes all expenditure incurred by the charity to raise funds for its charitable purposes and includes costs of fundraising activities, events and non-charitable trading.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include those costs incurred in the governance of the charity and comprise the production of the statutory accounts, the independent examination and AGM expenses.

Heritage assets

The Museum has an extensive collection of historic and other artefacts, a large number of which have been donated. These are, in most cases, irreplaceable originals to which no reliable cost or value can be attributed and accordingly these assets have not been capitalised in the financial statements. The continuing retention of this collection of assets is in direct furtherance of the charity's objects.

Even if valuations could be obtained, the costs would be onerous compared to the benefits derived by the Museum and the users of the financial statements. As a result, no value is reported for these assets in the Museum's balance sheet.

Intangible and Tangible fixed assets

Depreciation and amortisation are provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 25% on cost
Website	- 20% on cost
Museum refurbishment	- 20 years on cost

The charity does not capitalise furniture and equipment where the original cost is less than £5,000.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Fixed asset investments

Investments are included in the Statement of Financial Position at their market value.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their fair value at the beginning of the year.

THE WIMBLEDON SOCIETY

NOTES TO THE FINANCIAL STATEMENTS – continued FOR THE YEAR ENDED 31 DECEMBER 2022

ACCOUNTING POLICIES – continued

Cash at bank

Cash at bank includes bank deposits and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Debtors

Trade and other debtors are recognised at the settlement amount due. Prepayments are recognised at the invoiced cost prepaid.

Creditors

Creditors are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at the settlement amount.

Financial instruments

The charity only has financial instruments of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease
